Altar Girls Saturday Out

@ The Sisters of Life Motherhouse

Projects, Prayers, Lunch and Sharing...

The Sisters of Life is a contemplative / active religious community of women founded in 1991 by John Cardinal O'Connor for the protection and enhancement of the sacredness of every human life. Like all religious communities, we take the three traditional vows of poverty, chastity and obedience. We also are consecrated under a special, fourth vow to protect and enhance the sacredness of human life.
